**SKU: 62210 NIOSH Approved  
TC-84A-0160**

**BERRY**  
COMPLIANT

Altor Safety distributes a Cup Style Disposable Respirator that provides at least 95% filtration efficiency against solid and liquid aerosols that do not contain oil. The Cup Style Disposable Respirator has at least 95% filtration efficiency against certain non-oil-based particles. Electrostatically charged filter media provides low breathing resistance. Latex-free, staple-free head straps for comfort and safety. Contoured nose-clip provides greater comfort and helps reduce potential fogging. More durable, double-shell construction for long life and better value.
